

SageSure Insurance Managers expands again, opens larger office in Blue Ash

CINCINNATI, OH, Aug. 7, 2019 – [SageSure Insurance Managers \(SageSure\)](#) held a ribbon-cutting ceremony last week to celebrate the grand opening of its new office in Blue Ash. SageSure opened its first Cincinnati marketing and sales office in late 2016. After outgrowing two offices since then, they have now found a larger, more permanent space in Pfeiffer Woods to accommodate up to 65 employees.

The 14,000-square-foot “resimercial” space was designed to make employees feel at home and inspired to collaborate. The office features several collaboration areas with innovative technology to facilitate teamwork not only within the office, but also with the 200+ other team members across the country. The space was designed with employee health and wellness in mind, featuring an onsite gym and complimentary healthy snacks.

Co-founder and CEO Terrence McLean is a Cincinnati native and Elder High School alumnus. Although he now lives in New York City, leading SageSure’s headquarters in Jersey City, he invested back in his hometown by selecting Cincinnati as the company’s sixth location in 2016. With more Fortune 500® companies headquartered in Greater Cincinnati per capita than New York, Chicago or L.A., Cincinnati is a hotbed for talent.

What began in 2016 as a two-person marketing department has now grown to a team of more than 20 specializing in marketing, sales, customer experience and agency operations. In addition to these rapidly growing groups, the new space will also host a customer service center with up to 12 representatives. The new Cincinnati customer service center is in addition to the company’s customer service headquarters in Tallahassee, FL.

Tammy Nelson, Chief Marketing Officer for SageSure, has been responsible for building the Cincinnati team. “In addition to expanding our marketing team, we’re excited to add a customer service center to our new space,” said Nelson. “As we continue to rapidly grow our customer base, the customer service talent in Cincinnati will be critical to helping us fulfill our promise of offering the best experience to our producers and policyholders.”

In addition to Cincinnati, Insight Catastrophe Group and SageSure have offices in Jersey City, NJ; Mount Laurel, NJ; Cheshire, CT; Tallahassee, FL and Houston, TX.
